

Conservation Learning Series

THE UNIVERSITY OF
MELBOURNE

Enrolment form

2024

The Conservation Learning Series is an introductory package of online learning materials developed by conservators at The University of Melbourne. The material developed covers 6 topics:

1. Introduction to Conservation
2. Safe Object Handling
3. Record Keeping and Documentation
4. Managing your Environment
5. Storage and Packing
6. Disaster Preparedness

The topics have been bundled to create **4 courses**. Each course includes a 1-hour group session with a conservator (via zoom) where we will answer questions and demonstrate solutions specific to your needs. At the end of this all participants will be given a *Certificate of Completion*.

Courses are accessible via the links below. Course 1. is recommended as it includes all topics:

1. **Caring for Collections - the complete Conservation Series** (all topics)
2. **Disaster Preparedness for Collections** (topics 1, 2, 6)
3. **Storing Collections Properly** (topics 1, 2, 4, 5)
4. **How to Document Collections** (topics 1, 2, 3)

To enrol, please complete this form and return it to gcs-info@unimelb.edu.au. Upon submission of your enrolment, you will be issued with a tax invoice for payment. After your payment has been processed you will be sent an online link to begin the course.
