Overseas Intensive Subject Information Session

PPMN 90036 – International Public Management
Birmingham, 30 Nov - 4 December 2015
The due date for Expressions of Interest is **5pm Monday 8 June 2015**. You’ll be notified of outcomes by **Wednesday 24 June 2015**.

Applicants are assessed and ranked on the basis of their Expression of Interest form and their cumulative grade point average across their current degree.

Preference is given to students completing their final 100 points of their degree (last year of degree).

Preference is given to those who have not yet participated in an overseas intensive.

Australia Awards students are eligible to participate.

International students must ensure that they can attain a study visa for the destination country.

Overseas Scholarship holders must ensure that they are allowed to study outside of Australia.

If you are successful, the enrolments team will advise you when the pre-requisite has been lifted for this subject on your study plan so that you are able to enrol.
• Students are responsible for booking and paying for their own flights. All participants must provide their full travel itinerary to the Graduate Experience Officer and register with Global Mobility.

• You can choose to extend your stay either side of the subject dates. This will affect the type of travel insurance you need to buy.

• A pre-departure session will be held in October for successful applicants providing more information about on-the-ground transportation (e.g. how to get from the airport to your accommodation and from your accommodation to the subject venue) at your destination.
Conference Park, University of Birmingham

- Students are responsible for booking accommodation. The recommended accommodation, where students of PPMN90036 have stayed in precious years, is at Conference Park, on campus at the University of Birmingham. Find out more and book online here: http://www.venuebirmingham.com/meet/conferencepark

- You may wish to share a room with a classmate to save costs. Details of everyone’s emails will be circulated (with your permission) amongst the cohort.
