

SUSTAINABILITY & CONSERVATION

How does cultural materials
conservation promote
**positive change for
the future?**

We meaningfully
support the

**United Nations
Sustainability
Development Goals**

Students are the future stewards to

**‘Strengthen efforts to
protect and safeguard
the world’s cultural and
natural heritage’**

United Nations SDG 11.4

It is up to us to

**‘Make cities and human
settlements inclusive, safe,
resilient and sustainable’**

United Nations SDG 11

This is a core attribute of
heritage conservation

We examine the
**cultural, social,
environmental and
economic value
of what we do**

**GRIMWADE CENTRE FOR
CULTURAL MATERIALS CONSERVATION**

11 SUSTAINABLE CITIES
AND COMMUNITIES
